ABOUT THE DISTRICT

The District's mission: Provide customer-focused, professional wastewater services in an environmentally and financially responsible manner.

Formed in 1958, the District provides reliable, affordable service to more than 120,000 people. The District supports economic development while protecting public health and the environment.

Ensuring residents have access to high-quality sewer service at competitive and stable rates is important. The District achieves this through proactive planning, sound financial management, and a regional approach to governance and service delivery. Recent initiatives such as the Discovery Corridor Wastewater Transmission System (DCWTS), Discovery Clean Water Alliance (Alliance) and City of Ridgefield Collection System Transfer have not only supported local economic growth, but also helped to ensure low and consistent rates for our customers well into the future.

The District's unique approach to serving the community has led to recognition with several awards and accreditation:

- GFOA Distinguished Budget Presentation Award, 2016-2022
- GFOA Certificate of Achievement for Excellence in Financial Reporting, 1988-2021
- *Vancouver Business Journal* inaugural Catalyst Award in 2015 for DCWTS
- Governor's Smart Communities Award in 2013 for Alliance
- APWA Accredited since 2005
