RE: Proposed 2020 Budget Process Schedule

As part of our continued commitment to provide timely information to all neighborhood associations located within the District, listed below is the proposed 2020 budget process schedule.

- October 8, 2019 – Budget workshop #1
- October 22, 2019 – Budget workshop #2
- November 12, 2019 – Budget workshop #3
- December 10, 2019 – Budget public hearing
- December 23, 2019 – Board adoption of 2020 budget (Special Meeting)

All workshops are open to the public and participatory. Please check the District website at www.crwwd.com for meeting times. However, official public testimony will only be taken at the December 10, 2019 budget public hearing. We look forward to your participation and discussion of the budget for 2020. Also, we would welcome the opportunity to meet with your neighborhood association to discuss your sewer district. The presentation will take about 45 minutes with time for questions.

If you would like to receive additional information concerning the budget process and/or request a District presentation discussing your sewer district's past and future with your neighborhood association, please feel free to contact me at (360) 993-8822 or by email at kthur@crwwd.com. You can also find information on our website, www.crwwd.com.

We look forward to your continued interest in your sewer district.

Sincerely,

Kim Thur
Board Clerk/Administrative Services Manager
