

Clark Regional Wastewater District
REQUEST FOR DYE TEST

The Clark Regional Wastewater District requires 3 day notice for the provision of DYE TESTING to verify sewer connection. This three (3) day process begins when notice is received. There is no charge for this test **UNLESS the responsible party fails to be present no later than 15 minutes from the specified time**; if the responsible party fails to be present there will be a **\$50 charge**.

PROCEDURE

- 1) The requesting party will be charged a fee as a result of a NO SHOW.
- 2) The requesting party shall submit this request form to the District Office.
The District fax number is: (360) 750-7570.
- 3) The request form will go to the Maintenance Superintendent for scheduling of the testing.
- 4) Following scheduling, the District will contact the requesting party with the scheduled date and time of the dye testing.
