

# CONSTRUCTION MANAGER

## CAREER OPENING

Clark Regional Wastewater District (District) is currently seeking a highly skilled Construction Manager to join our team. In this role, you will be responsible for overseeing and managing our construction sewer collection projects.

To qualify for this position, candidates must possess a strong educational background and relevant work experience. Typically, this includes a bachelor's degree in Construction Management or a related engineering field, along with at least five years of work experience in construction management within a heavy civil construction environment.

### KEY RESPONSIBILITIES

- Administering the construction phase of all assigned local and regional collectoin system projects
- Planning, coordination, budget control, construction management, and closeout of multiple ongoing projects
- Managing technical and professional staff on a project basis
- Depending upon assignment, will include:
  - Program management support
  - Construction management support for development related projects

### QUALIFICATIONS

Any combination of education and experience that provides the requisite knowledge, skills, and abilities. Typically this can include:

- A Bachelor's degree in Construction Management, Civil Engineering, or a construction-related field
- Five (5) years or more of construction management work experience. Ideally in a heavy civil construction environment, or in wastewater treatment and collection systems
- Working knowledge of WSDOT specifications and EJCDC General Conditions
- Supervisory experience, depending upon assignment

## COMPENSATION & BENEFITS

The District provides employees the resources to grow professionally and stay happy and healthy. Compensation and benefits include:

- Paid certification and training
- 100% employer-paid medical, dental and vision (employee and family)
- Paid vacation and sick leave
- Public Employee Retirement System (PERS)
- Flexible Spending Account (FSA) for medical and dependent care
- Education assistance program
- Training and development
- Basic life insurance
- Long-term disability

Salary range: \$8,406 to \$10,989 per month

Starting salary: \$8,406 to \$9,611 per month, depending on qualifications

## HOW TO JOIN OUR TEAM

## ABOUT THE DISTRICT

The District's mission: Provide customer-focused, professional wastewater services in an environmentally and financially responsible manner.

Formed in 1958, the District provides reliable, affordable service to more than 120,000 people. The District supports economic development while protecting public health and the environment.

Ensuring residents have access to high-quality sewer service at competitive and stable rates is important. The District achieves this through proactive planning, sound financial management, and a regional approach to governance and service delivery. Recent initiatives such as the Discovery Corridor Wastewater Transmission System (DCWTS), Discovery Clean Water Alliance (Alliance) and City of Ridgefield Collection System Transfer have not only supported local economic growth, but also helped to ensure low and consistent rates for our customers well into the future.

## WHY JOIN THE DISTRICT?

- **A professional utility.** An industry leading utility devoted to serving its growing customer base with professional staff and services.

- **A great place to work and live.** You'll find a healthy work/life balance, along with affordable homes, a variety of outdoor activities, impressive school districts, and a foodie's paradise nearby. Recreational opportunities abound within an hour drive to the mountains or the coast.
- **A passion for the community.** Whether growing food together, presenting at public safety fairs, or participating in local parades, the District and its employees strive to give back and engage the community.
- **The chance to make a difference.** Our workplace is big enough to make things happen, but small enough to celebrate the contributions of each employee.

The District's unique approach to serving the community has led to recognition with several awards and accreditation:

- GFOA Distinguished Budget Presentation Award, 2016-2022
- GFOA Certificate of Achievement for Excellence in Financial Reporting, 1988-2021
- *Vancouver Business Journal* inaugural Catalyst Award in 2015 for DCWTS
- Governor's Smart Communities Award in 2013 for Alliance
- APWA Accredited since 2005
